

# Story of your life!

## Playlist challenge.

### Instructions

You are going to tell the story of your life through songs.

For every year you have been alive you are going to choose a song and tell me why you chose that song for that year.

For example number 35 on mine would be Rockabye by Clean Bandit and Anne-Marie because at the time I had a baby and a six year old and it was played a lot on my holiday.

I look forward to reading and hearing your stories!
