Are you the parent
of a child with
special educational
needs?

Do you want to
meet with other
parents and learn
about national and
local services and
what they can offer?

Do you want to feel
more confident
about working with
practitioners and
making decisions
about your child's
journey?

We warmly invite you to
a series of evening
workshops that have
been written and led by
trainers who are
parent/carers of a child
with additional needs
themselves.

These workshops are for
parent/carers of children
and young people of any
age, with any additional
need following
diagnosis. They are an
attempt to support
parent/carers through
times of change and at
whatever stage of the
journey participants may
find themselves.
