

Amazing Grace – Lyrics

At the start of the guide track I sing you the first couple of notes so you can pitch them and then count you in as you will start before the piano. Come straight in after 4 (you might need to listen to me once or twice so you're confident)

There are lots of slightly different versions of this song. The bits highlighted in yellow will end up being solos, so you can do whatever version you like, be more expressive here and don't have to copy exactly what I'm doing. Please try to stick with me for the non-highlighted bits though! I've chosen a simplified version as this will work best with congregational singing.

1. Amazing grace! How sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind, but now I see

2. 'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

*Refrain: My chains are gone
I've been set free
My God, my Saviour has ransomed me
And like a flood His mercy rains
Unending love, Amazing grace*

3. The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures

*Refrain: My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood His mercy rains
Unending love, Amazing grace*

4. The Earth shall soon dissolve like snow
The sun forbear to shine
But God, Who called me here below
Will be forever mine
Will be forever mine
You are forever mine
