Dear Parent(s)/Carer(s),

My Child At School

You may be aware that as a school we use the cloud-based system Bromcom. Our aim as a school is to ensure that every single parent and carer has access to their child's record using the 'My Child at School' web portal.

This will allow us to contact you with important school messages, share school documents and publish your child's reports. You will also be able to see the personal information we hold about your child. You may update this information at any time which helps keep our records up to date.

A guide on how to use MCAS can be found here by scanning the QR code below.....

or going to https://holyltrc.com/public_html/wp-content/uploads/2024/04/MCAS-Parent-Guide.pdf

If you have an account already, you can login by scanning the QR code below....

or going to <http://www.mychildatschool.com/MCAS/MCSParentLogin>

If you have any questions about MCAS, please call 0121 772 0184, ext. 0225

Student portal

We are also in the process of helping every pupil to access 'The Student Portal'. It is a platform that allows pupils to see their timetable, reports, behaviour, attendance and from September 2024, details of the homework that they have been set that week. There is a help guide below that pupils can follow to help them set up their account. **Please scan this QR code to access the help guide.....**

or go to https://holytrc.com/public_html/wp-content/uploads/2024/04/How-to-access-the-student-portal.pdf

In order to login to the student portal, please scan the QR code below.....

or go to <https://vle.bromcomcloud.com/>

If your child is having difficulties logging into the student portal, please ask them to email Mr Horsfield at rhorsfield@holytrc.bham.sch.uk or message him via Microsoft Teams. They need to provide him with their full name, form and what exact issue they are having when trying to login.

Many thanks for all of your support,

Mrs C Henvey (Assistant Headteacher)
