

# NO PENS DAY

IS NEXT **FRIDAY, 23<sup>RD</sup>** JANUARY!

This means lessons will not use pens or pencils and will focus instead on talking, listening, teamwork, and creative activities as part of our school **oracy focus**.

You'll have the chance to share your ideas.

explain your thinking

and work together in different ways.

These skills will help you right now by making lessons more interesting **and** helping you **understand** your learning better, and they will also help you in the future by building **confidence** for exams, presentations, interviews, and **everyday** life.
